Reason	As the companies' auditors do not express conclusion on the financial statements ending June 30, 2019, the SEC may require the companies to amend their financial statements.

Remark

- SSI is the listed company facing possible delisting due to operations or financial conditions (NC-Stage 3), SET has still suspended trading of SSI's securities until the company could solve the causes of delisting in accordance with the SET's guideline.
- TFI has shareholders' equity < 50% of paid-up capital. So, TFI's securities have been posted C sign and they shall be purchased with Cash Balance account only (each member must ensure that its customers pay the full amount in cash prior to trading) from the date of C sign posting until elimination of such event.
